

# Join us for a virtual presentation on how you can plan for your housing

This is an introductory session to help guide families and adults with developmental disabilities to plan for their future housing needs.

- Understand the new housing reality.
- Learn why planning for your future is important.
- Hear what other families across the province are doing and be inspired.
- Learn of resources to help you plan your individualized housing vision.

## About Your Hosts:

*Kelly Casey* is a housing expert and Developmental Services consultant with over 30 years of experience. Over the past 10 years, she has developed several creative housing solutions with people and their Network of Support. She is a well-respected collaborator and partner with various agencies in the private and public sector, all of which aim to support a more meaningful life for all people.

*Katherine Pickard* is the Developmental Services Ontario (DSO) Housing Navigator for Central East Region where she provides housing resources to individuals and their families wanting to explore and create individualized and person-centered housing options. She has over 25 years of experience helping individuals create a vision and plan for a good life and secure future.
